Throwback Fest 2024 has a new twist: A Family-friendly Carnival with Rides, Game Booths & More

The Carnival will be TWO FULL BLOCKS!

Big and small rides will be located at the south end of the festival grounds (starting near Peterson & Milwaukee avenues).

Ride Cards will be available for ride credits for individual rides and there will also be various carnival game booths.

Wristbands for rides also will be available for purchase and can be used from 5pm to Close on Friday ($30), 12pm to 5pm Saturday ($30) and 12pm to 5pm Sunday ($30).

The following rides are scheduled: Sky-Rider, Ferris Wheel, Rockstar, 'OMG', Dragon Wagon, Carousel And an additional 5-6 kid-focused rides.

The carnival will be accepting credit cards (no cash) for all ride purchases.

"We're trying to make the fest more family friendly, with more activities that kids and families can take advantage of … not just a food and music fest," Gladstone Park Chamber of Commerce president Dan Ciolino said. Chamber board member and Gladstone Park Neighborhood Association vice president John Garrido said that it will be "a full carnival" with a wide variety of rides and attractions and that the carnival.

"As far as I know there's never been a carnival before on Milwaukee in the history of Milwaukee in Chicago," Garrido said.

The tall height of some of the rides should draw more attention to the festival and more attendees, he added.

Those entering the festival grounds will have access to the carnival, main stage area and the food and retail vendors.

There will be a suggested gate donation, and carnival rides and attractions can purchased separately.

Normally Milwaukee Avenue is shut down to traffic for the festival starting early Friday morning, but due the setup time needed for the carnival, the street will be closed on Thursday morning.

North Elston Avenue can be used as an alternate.
